Section 1: Structure, Philosophy, and Statement of Faith

Organizational Structure of Christian Life Academy

Christian Life Academy is a ministry of Good Shepherd Wesleyan Church, a member of the Greater Ohio Wesleyan District. The school remains an outreach ministry of the church and continues to remain under its sponsorship and final administration. With the exception of building expansion, maintenance, budget approval, and decisions relating to the hiring of personnel, the day to day administration is conducted through the administrator who works in close consultation with the church board and church pastor. The Good Shepherd Wesleyan Church board and senior pastor serve as the governing body of the entire school.

The GSWC Board has the important function of receiving recommendations from the administrator and advising on policy change, staff hiring, budget oversight, and the general governing of the board. The board is amenable to the senior pastor and is granted power to act in most of the school's administrative decisions.

The following outlines the church / school relationship:

Christian Life Academy does not discriminate on the basis of race, color, national origin, or ethnic origin in admission policies, financial aid assistance, or school-related programs. CLA reserves the right to select or to deny students on the basis of academic performance, religious commitment, lifestyle choices, and personal qualifications, not limited to, but including a willingness to cooperate with administration and to abide by school policies of conduct and behavior.

The school is a non-public charter school option available to students seeking placement in Preschool and K-12 Education Programs. The role of Christian Life Academy is to educate students for spiritual and academic growth, equipping them to be successful members of their communities.

Middle School / High School Program

Academic Information

Middle School & High School Programs : The middle school and high school programs are designed to develop the learning skills in all subject areas. This program includes the daily instruction of Bible, reading, language arts, , mathematics, science, social studies, health,and physical education.

Teacher Qualifications

All staff at CLA have made a profession of faith. All teachers in preschool are required to have a minimum of a high school diploma. K-12 teachers are required to have a minimum of a bachelor's degree and must be licensed by The Ohio Department of Education to be a classroom teacher. All staff are required to participate in at least 15 hours of professional development yearly.

Philosophy

Good Shepherd Wesleyan Church / Christian Life Academy is founded on our understanding of God's Word, the Holy Bible. Our total effort is directed towards Christ-centered education to:

- A. Assist Christian parents in fulfilling their God-given responsibility to educate their children. (Eph. 6:4; Deut. 6:6-9).
- B. Assist the local church in its teaching of the responsibilities of the Body of Christ (Eph. 4:11-16).
- C. Meet or exceed minimum local, state, and federal requirements as they apply to point "a" listed above (Romans 13:1-7).

We believe Christ-centered education includes as a minimum:

- A. The concept that all truth is revealed in the person of Jesus Christ as taught in the Bible and revealed by nature.
- B. The concept that the first priority of this philosophy is an understanding and personal relationship with God and not the acquisition of wisdom (Jeremiah 9:23-24).

Christian Life Academy Parent / Student Handbook Middle School / High School Program

- C. The concept that virtue (moral excellence) has a divine priority over the acquisition of knowledge (2 Peter 1:5).
- D. The rejection of any view that requires a compromise of the Bible as it might appear to conflict with scientific theories or discoveries.

To meet the goals of this philosophy, we have adopted the following criteria:

- A. Our staff and faculty must be committed to holy living, continuous preparation, a servant's heart, attitude, and personal professionalism.
- B. The curriculum should reflect the Bible as foundational in every subject area, not just as a "part of" but rather as a "source of".
- C. CLA exists to help parents meet their God-given responsibility of education their children, not to assume that responsibility. It is imperative that the parents and children be supportive of this philosophy as practiced in the day to day operation of the school.
- D. A Christ-centered education should provide achievable, consistent, clearly recognizable, and worthy minimum requirements. At the same time, it should provide opportunity for study and ministry beyond these minimums.
- E. The Christ-centered education should reflect the Christian ethic in every area of student, staff, and faculty activities (Colossians 3:17, 23).

Christian Life Academy Lifestyle Statement : (Staff, Students, Parents)

GSWC / CLA believes that our total life is to bring praise and honor to our Creator. This statement is the general guideline for lifestyle concerns for the entire GSWC/ CLA community.

- 1. We believe that the Word of God is the inerrant revelation for Christian faith and personal behavior. In response to Divine truth, certain practices are forbidden by Scripture and other require restraint and control to avoid offense and harm to the body. The Lordship of Jesus Christ in the life of the believer is the guiding principle for the GSWC / CLA community.

Christian Life Academy Parent / Student Handbook Middle School / High School Program

2. Membership in a community carries the responsibility of setting aside certain personal rights for the good of the community. This is both a demanding and privileged responsibility to “love the Lord with all your heart and your neighbor as yourself”, allowing this concept to govern actions towards others. This unselfish, Christ-like love can be the motivation for lifestyle and certainly is the evidence of holiness.
3. The ideals of holy living require that members of the community practice discretion and restraint in the choice of entertainment, use of leisure time, and association with others socially and in organizations. (I Cor. 10:31).
4. Attitudes such as greed, jealousy, pride, lust, bitterness, covetousness, hostility, an unforgiving spirit, and prejudice based on race, sex, or socioeconomic status are condemned in scripture. Therefore the GSWC / CLA community seeks to eliminate these attitudes as evidenced in speech and action and to see them replaced by godly attitudes appropriate to the mature Christian (Philippians 2:5-7).
5. GSWC / CLA has chosen to adopt certain practices that contribute to an environment appropriate to its mission and goals. We are advised to occupy ourselves with virtuous pursuits. Right thinking about the noble things in life leads to godliness in thought, speech, and action (Philippians 4:8).
6. GSWC / CLA defines marriage as the union of one man and one woman (Romans 1:24-26).
7. GSWC / CLA defines gender as male and female, created by God to distinctly complement each other and to reflect the image of God (Genesis 1:26-27).

We believe the deity of Jesus Christ, in His virgin birth, sinless life, miracles, His vicarious and atoning death through His shed blood, in His bodily resurrection , ascension, and personal return in power and glory. We believe that in His death He provided a complete sacrifice for the sins of all men. We believe that man is sinful by nature and that regeneration by the Holy Spirit is essential for his salvation. We believe in the continuing ministry of the Holy Spirit, by Whose cleansing and indwelling the Christian is enabled to live a Godly life. We believe it is He who leads us into all truth. We believe in the resurrection of both the saved and the lost; they who are saved are saved unto eternal life and those who are lost are lost unto eternal damnation. We believe in the creation of man by the direct act of God. We believe in the spiritual unity and fellowship of believers in our Lord Jesus Christ.

School Wellness Policies

Christian Life Academy is committed to preparing our students to live a life that is both healthy and pleasing to the Lord. We believe that each person should treat his or her body with respect in all areas, and that it is our God-given responsibility to take care of our bodies and maintain our physical health.

Christian Life Academy Parent / Student Handbook Middle School / High School Program

With this in mind, Christian Life Academy is committed to keeping our students both healthy and active by providing physical education and health classes throughout the school year, encouraging active play through recess times as well as free play times.

Wellness includes eating a diet that is nutritionally sound, providing the body with the vitamins, minerals, and nutrients that it needs to keep us active.

Section 6: Technology Policy

Section I - Acceptable Use Policy

The intent of this policy is to ensure that ALL uses of the District's computer network are consistent with the District's mission statement, strategic plan and Christian Life Academy graduation criteria. Such access serves as a natural extension of the educational lessons learned within the classroom by:

- Providing access to educational resources and reference materials
- Reinforcing the specific subject matter taught
- Requiring the use of critical thinking skills
- Promoting tolerance for diverse views
- Teaching socially appropriate forms of civil discourse and expression

This policy does not attempt to define ALL required or prohibited behavior by users, but rather an operating framework for the user to follow. Each user MUST exercise good judgement and appropriate conduct. For purposes of this policy, the District's "computer network" includes all the District's computers and peripheral equipment (including, but not limited to, telephones and fax machines), the District's local and/or wide area network, and access to the Internet through District computers or the District's local and/or wide area network.

Section 2 - Opportunities and Risks of Computer Network Use

Christian Life Academy believes the value of information, interaction, and benefits that access to the District's computers and the Internet offers far outweighs the potential hazards of its use, and the more would be lost by not providing its students, faculty and staff access to this technology and information.

An inherent risk of making these global network resources available is that some users might encounter sources that could be considered controversial or inappropriate. Because global information resources are transitory and uncontrolled, the school cannot predict or totally control what users may or may not locate. The District has chosen, on a "best effort" basis would include, but not be limited to the following:

- Staff supervision
- Security software

Christian Life Academy Parent / Student Handbook Middle School / High School Program

- User training

Christian Life Academy does not support or condone access to educationally inappropriate resources. Users MUST utilize good judgement when accessing global information resources and be wary of the integrity and content of the information resources, regardless of the source of the technology.

The District may provide students with a student e-mail account that can be accessed through any computer with Internet access. The District may review all files, including electronic communications, that are created on, stored on, or sent to, from or via the computer network. The District reserves the right to participate and cooperate fully in any investigation requested or undertaken by either law enforcement authorities or a party alleging to have been harmed by the use of the District's computer network. Evidence of illegal activity may be reported or turned over to appropriate authorities.

No use of the District's computer network is guaranteed to be error-free and totally dependable, therefore it cannot be held liable for any unforeseen difficulties that may arise. The District cannot be held accountable for information that is retrieved through the use of technology.

Section 3 - User Conduct and Responsibilities

Guidelines for access to the District's computer network within this document apply to ALL students, administrators, faculty, and staff, and other employees of the District. These guidelines are not all-inclusive. A user who commits any act of misconduct not specified may also be subject to disciplinary action. Disciplinary actions are consistent with District policies governing such behavior, such as its policy on student behavior and staff contacts.

The District's computer network is part of the educational curriculum and is not intended to be used as a public forum for general use. Access to the computer network is a privilege-not a right-and carries with it responsibilities. ALL users of the District's computer network are expected to abide by District policies and rules of behavior. These guidelines are provided here so that users are aware of the responsibilities that the use of technology places upon them.

Users have the opportunity to access the District's computer network for educational or professional purposes only. Exercising that privilege requires that the user accept the responsibility for all material they access, view, download, and/or produce. It is necessary for users to evaluate the validity of the information they access via the District's computer network and acknowledge the source of information when

Christian Life Academy Parent / Student Handbook Middle School / High School Program

appropriate. ALL users of the District's computer network are representatives of Christian Life Academy and should act accordingly.

Guidelines for acceptable use include, but are not limited to, the items listed below.

Users will:

- Use appropriate language
- Avoid offensive or inflammatory dialogue
- Adhere to copyright rules and assume that any software that they did not create is copyrighted (unless it is labeled "freeware" or "public domain")

- Not reveal any personal information (i.e., address, phone number, etc.) for themselves or others
- Note that e-mail is not guaranteed to be private. People who operate the school information systems do have authorized access to e-mail; others may have access if authorization has been provided by appropriate school personnel.
- Use technology only for legal activities
- Be responsible at all times for proper use of their access privileges and avoid impersonation, anonymity or unauthorized sharing of security measures and/or their account (s)
- Take responsibility for any technology-related activities that they borrow or are used under their account or password
- Maintain integrity of technology resources from viruses, physical abuse, potentially damaging messages, etc.
- Respect the rights of others to utilize technological equipment.

Achievement Testing

All students in 7-12 will be required to take the Ohio State achievement testing during the school year

Attendance Requirements

Ohio law requires that if a student is absent with or without legitimate excuse from the school 38 or more hours in one school month, or 65 or more school hours in a school year, the following will occur. The school's attendance officer will notify the student's parent, guardian, or custodian of the child's absences after the date of truancy, the principal of the school will assign the student an absence intervention team, which will develop an intervention plan for that student. Every effort will be made to include a parent, guardian, or custodian as a member of the student's team. At no time will the student be expelled or suspended out of school due to excessive absences for truancy.

Attendance Policies:

- Limitation on Absences

Students are allowed three absences per nine-weeks grading period to be authorized by a parent or guardian for illness, emergency appointments, or similar situations approved by the administration. Absences after three absences per nine week grading period are considered unexcused unless accompanied by a medical or legal excuse.

Any absences beyond the first three absences per nine week grading period without a qualifying excuse will result in an unexcused absence. For any and all unexcused absence, students will be given zeros for missed class work for the day. Any absences beyond the first ten unexcused absences per semester or twenty unexcused absences for the year could result in denial of credit for the year and the assignment of summer school program for the student.

Unexcused Absences

Christian Life Academy Parent / Student Handbook

Middle School / High School Program

Notification will be made to the parents / guardians when a student has accumulated three unexcused absences per nine weeks.

At three days unexcused absence in a nine week grading period, a letter will be sent to the parent / guardian and a copy will be provided to the juvenile court requiring the parent to conference with the school and / or an officer of the court.

At five days unexcused absence in a nine week grading period, the school will require the parent / guardian to participate in, and follow an Absence Intervention Plan.

Excused Absences

An absence from school will be considered excused if the absence is for one of the following reasons:

- Personal illness
- A contagious disease in the family
- A death in the family
- A serious emergency beyond the control of the student
- The child's physical condition does not permit attendance at school. This must be certified in writing by a licensed physician.
- The child's mental condition does not permit attendance at school. This must be certified in writing by a licensed physician, licensed psychologist, or a certified school psychologist.
- Provision is made for the appropriate instruction of the child.

Procedure When Absent:

The primary responsibility for supervision of students rests with their parents or legal guardians. The school staff will provide the assistance it can in this area to families.

- On the date students are absent, the parent / legal guardian must notify the school office by phone no later than 9 am the same day to explain the reason for the student's absence.
- All absences will be considered unexcused unless parents have notified the school by telephone, written excuse, or doctor's excuse.
- Unexcused absences may be treated as truancies, and may subject the student to disciplinary action.
- A doctor's excuse which includes the date of the absence, the reason for the absence and the signature of the doctor must be presented in the main school office. Absences due to medical conditions for which a doctor's note is received

Christian Life Academy Parent / Student Handbook Middle School / High School Program

will not be counted as unexcused. No doctor's excuse will be accepted if there has been an alteration made to the excuse. Doctor's excuses may be faxed directly to CLA office 740-286-0234.

Planned Absences / Vacations

Parents who plan to have their child absent from school (vacations) should contact the school office to obtain a vacation form at least one to two weeks prior to the event. Only one vacation pass with a maximum of five days of excused absences will be granted for the school year. Teachers will not prepare work in advance for students to take for planned absences / vacations. Students will be expected to collect missing work when they return from absences. Students will have one day to complete missed work for each day they missed (5 vacation days = 5 make up work days). Work not completed by the deadline will receive a zero. Christian Life Academy Parent / Student Handbook Middle School / High School Program

The cost of summer school will be the responsibility of the parent to pay in addition to the regular cost of tuition for the school year. When the missed days have been made up in summer school , the student will be promoted to the next grade level.

Christian Life Academy Parent / Student Handbook

Middle School / High School Program

Make- Up Work
