### **Section 1: Structure, Philosophy, and Statement of Faith**

#### **Organizational Structure of Christian Life Academy**

Christian Life Academy is a ministry of Good Shepherd Wesleyan Church, a member of the Greater Ohio Wesleyan District. The school remains an outreach ministry of the church and continues to remain under its sponsorship and final administration. With the exception of building expansion, maintenance, budget approval, and decisions relating to the hiring of personnel, the day-to-day administration is conducted through the administrator who works in close consultation with the church board and church pastor. The Good Shepherd Wesleyan Church board and senior pastor serve as the governing body of the entire school.

The GSWC Board has the important function of receiving recommendations from the administrator and advising on policy change, staff hiring, budget oversight, and the general governing of the board. The board is amenable to the senior pastor and is granted power to act in most of the school's administrative decisions.

The following outlines the church / school relationship:

Good Shepherd Wesleyan Church Board  
School Administrators  
School Faculty  
Parents and Students

#### **Non-Discrimination Policy**

Christian Life Academy does not discriminate on the basis of race, color, national origin, or ethnic origin in admission policies, financial aid assistance, or school-related programs. CLA reserves the right to select or to deny students on the basis of academic performance, religious commitment, lifestyle choices, and personal qualifications, not limited to, but including a willingness to cooperate with administration and to abide by school policies of conduct and behavior.

The school is a non-public charter school option available to students seeking placement in Preschool and K-12 Education Programs. The role of Christian Life Academy is to educate students for spiritual and academic growth, equipping them to be successful members of their communities.

## **Preschool Program**

### **Academic Information**

**Preschool Information :** The preschool program is a half-day program that consists of daily instruction in Bible, phonics, reading, art, music, social interaction, memorization exercises. Lessons meet the Ohio Early Learning Content Standards set forth by the Ohio Department of Education.

### **Teacher Qualifications**

All staff at CLA have made a profession of faith. All teachers in preschool are required to have a minimum of a high school diploma. K-12 teachers are required to have a minimum of a bachelor's degree and must be licensed by The Ohio Department of Education to be a classroom teacher. All staff are required to participate in at least 15 hours of professional development yearly.

### **Philosophy**

Good Shepherd Wesleyan Church / Christian Life Academy is founded on our understanding of God's Word, the Holy Bible. Our total effort is directed towards Christ-centered education to:

- A. Assist Christian parents in fulfilling their God-given responsibility to educate their children. (Eph. 6:4; Deut. 6:6-9).
- B. Assist the local church in its teaching of the responsibilities of the Body of Christ (Eph. 4:11-16).
- C. Meet or exceed minimum local, state, and federal requirements as they apply to point "a" listed above (Romans 13:1-7).

### **We believe Christ-centered education includes as a minimum:**

- A. The concept that all truth is revealed in the person of Jesus Christ as taught in the Bible and revealed by nature.
- B. The concept that the first priority of this philosophy is an understanding and personal relationship with God and not the acquisition of wisdom (Jeremiah 9:23-24).
- C. The concept that virtue (moral excellence) has a divine priority over the acquisition of knowledge (2 Peter 1:5).

## **Christian Life Academy Parent / Student Handbook Preschool Program**

D. The rejection of any view that requires a compromise of the Bible as it might appear to conflict with scientific theories or discoveries.

### **To meet the goals of this philosophy, we have adopted the following criteria:**

A. Our staff and faculty must be committed to holy living, continuous preparation, a servant's heart, attitude, and personal professionalism.

B. The curriculum should reflect the Bible as foundational in every subject area, not just as a "part of" but rather as a "source of".

C. CLA exists to help parents meet their God-given responsibility of educating their children, not to assume that responsibility. It is imperative that the parents and children be supportive of this philosophy as practiced in the day-to-day operation of the school.

D. A Christ-centered education should provide achievable, consistent, clearly recognizable, and worthy minimum requirements. At the same time, it should provide opportunities for study and ministry beyond these minimums.

E. The Christ-centered education should reflect the Christian ethic in every area of student, staff, and faculty activities (Colossians 3:17, 23).

### **Christian Life Academy Lifestyle Statement :**

GSWC / CLA believes that our total life is to bring praise and honor to our Creator. This statement is the general guideline for lifestyle concerns for the entire GSWC/ CLA community.

1. We believe that the Word of God is the inerrant revelation for Christian faith and personal behavior. In response to Divine truth, certain practices are forbidden by Scripture and others require restraint and control to avoid offense and harm to the body. The Lordship of Jesus Christ in the life of the believer is the guiding principle for the GSWC / CLA community.

2. Membership in a community carries the responsibility of setting aside certain personal rights for the good of the community. This is both a demanding and privileged responsibility to "love the Lord with all your heart and your neighbor as yourself",

## **Christian Life Academy Parent / Student Handbook Preschool Program**

allowing this concept to govern actions towards others. This unselfish, Christ-like love can be the motivation for lifestyle and certainly is the evidence of holiness.

3. The ideals of holy living require that members of the community practice discretion and restraint in the choice of entertainment, use of leisure time, and association with others socially and in organizations. (I Cor. 10:31).
4. Attitudes such as greed, jealousy, pride, lust, bitterness, covetousness, hostility, an unforgiving spirit, and prejudice based on race, sex, or socioeconomic status are condemned in Scripture. Therefore the GSWC / CLA community seeks to eliminate these attitudes as evidenced in speech and action and to see them replaced by godly attitudes appropriate to the mature Christian (Philippians 2:5-7).
5. GSWC / CLA has chosen to adopt certain practices that contribute to an environment appropriate to its mission and goals. We are advised to occupy ourselves with virtuous pursuits. Right thinking about the noble things in life leads to godliness in thought, speech, and action (Philippians 4:8).
6. GSWC / CLA defines marriage as the union of one man and one woman (Romans 1:24-26).
7. GSWC / CLA defines gender as male and female, created by God to distinctly complement each other and to reflect the image of God (Genesis 1:26-27).

### **Diversity Statement**

Christian Life Academy believes that every human being is created in the image of God. Additionally, a spirit of worship based upon a Wesleyan-Arminian perspective unifies the academic, social, and spiritual life of the student body and the campus community. Therefore, we embrace the dignity and value of each person and strive to reflect both the unity and diversity of the body of Christ with standards of campus conduct based on biblical standards.

We believe the deity of Jesus Christ, in His virgin birth, sinless life, miracles, His vicarious and atoning death through His shed blood, in His bodily resurrection , ascension, and personal return in power and glory. We believe that in His death He provided a complete sacrifice for the sins of all men. We believe that man is sinful by nature and that regeneration by the Holy Spirit is essential for his salvation. We believe in the continuing ministry of the Holy Spirit, by Whose cleansing and indwelling the Christian is enabled to live a Godly life. We believe it is He Who leads us into all truth. We believe in the resurrection of both the saved and the lost: they who are saved are saved unto eternal life and those who are lost are lost unto

## **Christian Life Academy Parent / Student Handbook Preschool Program**

The Christian Life Academy School District believes that all students have a right to a safe and healthy school environment. The district, schools, and community have an obligation to promote mutual respect, tolerance, and acceptance.

The Christian Life Academy School District will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate, harass, or bully another student through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

The Christian Life Academy School District expects students and/or staff to immediately report incidents of bullying to the principal or designee. Staff who witness such acts take immediate steps to intervene when safe to do so. Each complaint of bullying should be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period, whether on or off campus, and during a school-sponsored activity.

To ensure bullying does not occur on school campuses, the Christian Life Academy School District will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build each school's capacity to maintain a safe and healthy learning environment

Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion.

The procedures for intervening in bullying behavior include, but are not limited, to the following:

- Staff who witness acts of bullying shall take immediate steps to intervene when safe to do so. People witnessing or experiencing bullying are strongly encouraged to report the incident; such reporting will not reflect on the target or witnesses in any way.

### **Conflict Resolution Policy**

The Christian Life Academy School District believes that all students have a right to a safe and healthy school environment. Part of a healthy environment is the freedom to openly disagree. With this freedom comes the responsibility to discuss and resolve disagreements with respect for the rights and opinions of others.

To prevent conflict, each school within the Christian Life Academy School District will incorporate conflict resolution education and problem solving techniques into the curriculum and campus programs. This is an important step in promoting respect and acceptance, developing new ways of communicating, understanding, and accepting differing values and cultures within the school community and helps ensure a safe and healthy learning environment

The Christian Life Academy School District will provide training to develop the knowledge, attitudes, and skills students need to choose alternatives to self-destructive, violent behavior and dissolve interpersonal and intergroup conflict. Each school will adopt a Student Code of Conduct to be followed by every student while on school

No student is allowed to carry or self-administer any type of medication during school hours without proper school forms on file. Please note that cough drops at school are considered an over-the-counter remedy. All prescribed medication needs to be brought into the main school office by a parent or guardian. No medication is to be brought to school in a backpack, lunchbox, etc. Any medication found in other areas of the school, will be taken from the student and returned to the parent at the close of the school day.

Over-the-counter medications must be in their original container and labeled with the date. Prescription medications must have the student's name and the exact dosage to be administered. Medications are to be administered to students in the main office and by designated personnel. Medications may be administered by a parent or guardian if no written authorization by a health care provider is on file for the student. \*Over the counter sunscreen products may be applied while on school property or at a school sponsored event without any written authorizations.

## **Christian Life Academy Parent / Student Handbook Preschool Program**

Students who have been educated by their physician on their medications and use, may be permitted to carry and administer their own life saving medication. Life saving medications include the following: epinephrine autoinjectors (to treat anaphylaxis) and rescue asthma inhalers. These medications must have a written proper authorization by a health care provider on file in the school office. This permission shall extend to any activity, event, or program sponsored by the school or in which the school participates. In the event epinephrine is administered by the student or school personnel at the school or at any covered events, a school employee shall immediately request assistance from an emergency medical service provider (911).

The following staff are authorized to administer medication and treatment to students:

- a. Staff nurse
- b. Building secretary
- c. Others designated by the student's IEP and/or 504 plan
- d. Principal

No employee will be required to administer a drug to a student if the employee objects based on religious convictions.

Any student who is providing, buying, or selling any type of medication to another student will receive disciplinary action by the administration.

Parents will be made aware when any signs or symptoms of a communicable disease are highly noted. CLA needs to be notified when a student is diagnosed with a communicable disease by a physician so measures can be taken to prevent any further

spread among students and staff. Students diagnosed with a communicable disease may be required to present a consent to return to school note from a physician or health department.

\*Please note that in the event of a declared outbreak of a communicable disease by the Ohio Department of Health, those students who have been exempted from vaccinations may be asked to remain at home during the outbreak.

#### **Physicals, Immunizations, and Health Consents**

Parents of all preschool, kindergarten, 7th grade, and 12th grade students have only 30 days from the first day of school to submit all physical, immunization updates, immunization exemption, and health records/consents that are required by the Ohio revised code. All new students are also required to submit physical and immunization documentation. A copy of a birth certificate is also required to be on file for all students.

Reminders will be sent home prior to the deadline; after which, administration will take further action. Students may be asked not to return to school until documents are submitted by a parent or guardian. These will be counted as unexcused absences.

\*Physicals are mandatory for prek and kindergarten and are due annually by the last submitted exam date. Example: Jane Doe Preschooler for 2021/2022 school year had an exam done on 1/13/2021, and the new one is due in the office by 1/13/ 2022.

\*\* All marching **band students** are required to have a OHSAA physical each school year prior to any marching season activities. This includes summer band camp and scheduled parades. Students who do not submit the physical form will not be eligible until clearance to participate is obtained.

#### **General Illnesses during School Hours**

Students with temperatures above 100 will warrant a phone call home for a parent to come pick up the student. Students should not return to school until the student's fever has been gone for 24 hours without the use of Tylenol or Ibuprofen. DO NOT have your student return to school if the fever persists or if the student has vomiting prior to drop off time at school. CLA is not equipped to care for sick students.

Not all trips to the school office for "feeling sick" will result in a call home because every student case is different. Students not exhibiting a temperature in the school office will be monitored and returned to class unless otherwise indicated.

## **Christian Life Academy Parent / Student Handbook Preschool Program**

The school nurse will attempt all non-medicated means before calling home. Parents may be called for a health consultation when a student is noted to visit the nurse regularly for various illnesses or requests to go home.

Students who are sent home early or are absent from school for illnesses should return with a doctor's excuse.

\*Students who have a history of frequent ailments such as headaches or stomach upset are recommended to have a parent submit the correct medical forms completed by a physician to authorize the taking of medication at school to help decrease calls home and absenteeism.

### **School Health Screenings**

Each school year, we recommend that students participate in vision and hearing screenings at school. This is a requirement for all Ohio Schools by the Ohio Department of Health. Parents may submit a refusal for screenings in the school office prior to the given screening dates. Refusals must be turned in by the screening date. Those students who do not pass the screening will be referred to a physician for further evaluation.

### **Current Covid-19 Guidelines**

Parents are to notify the school office if a student is absent due to a positive Covid-19 test. We may ask for verification of the student's positive test result.

Students who test positive for Covid-19 are to remain at home in isolation for 5 days from the onset of their symptoms. Students may return to school on day 6 if no fever or persistent symptoms are occurring, and students must wear a mask (no exceptions) until day 10. The first five days will be counted as excused absences. A parent must update the office if a longer time is needed from school.

Students with direct exposure to Covid-19, regardless of vaccination status, can return to school without any absenteeism but are required to wear a mask for 10 days from the date of last exposure.

\*There are no exemptions for masks permitted in these instances. Our goal is to keep those remaining at school healthy. Covid-19 can still be spread up to day 8.

### Section 5: Emergency Procedures

#### **Emergency Procedures**

The emergency evacuation routes are posted in each classroom. Teachers are given specific instructions in order to lead a rapid and safe exit of the building. No talking will be allowed during emergency drills. Students are to go quickly and quietly to the designated areas. Students in both preschool and elementary will participate in emergency drills throughout the school year. Fire drills will be conducted monthly, tornado / earthquake drills will be conducted at least one time per year, active shooter emergency drills will be conducted at least once per year.

#### **Emergency Closing of School**

The closing of school because of bad weather or other emergencies will be handled in the following manner:

1. All school related closures will be made at the discretion of the CLA administrative team.
2. In the event that school is closed, all the announcements will be made via:
  - a. Gradelink (automated call, email, and text)
  - b. WKOV - 96.7 FM
  - c. WSAZ - Channel 3 News
  - d. Channel 4 News Columbus
  - e. Facebook (gswclajackson)
3. Students, parents, and personnel are asked not to call the administrative team, office, or stations but to listen to one of the above.
4. Announcements about school closings will be made as early as possible.

Our Preschool Program will be closed anytime CLA school is closed because of bad weather or other emergencies. There is also a possibility that morning preschool could be on a one hour delay if we feel that road conditions would improve enough by 9 am.

**Daycare will be closed anytime that the preschool is closed.**

Grades K-12 may be on a one hour delay if the road conditions would improve enough that it would be safe for parents to bring their children to school.

### **Health Policies**

1. At no point in time is a student to be in possession of any prescription or non-prescription medication. Students, who are under a doctor's care and are required to take prescribed medications during the school day, must have their parents' complete necessary forms with the school nurse. Parents must then bring the prescription and the signed forms to the school nurse's office where the medication will be stored in a secure area and administered by a designated staff member at appropriate times.
2. No student with a temperature of 100 degrees or above will be allowed to remain in school. A parent will be called to pick up the student at school.
3. Students who are unable to participate in physical education class must have a note from home or a doctor's excuse.

### **Health Appraisal**

All students entering Christian Life Academy for the first time shall, within a reasonable time, show a birth certificate and proper health record as required by the Ohio Revised Code or a statement from a doctor giving a reason why a student will not be vaccinated. All children shall have a statement of completion of all required immunizations. All shots are required unless objected to in writing by their parents.

### **Health Service**

No student member shall be allowed to administer medicine on their own. If a student must take medication during the school day, the medicine, along with the administration of medication form, are to be given to the child's teacher as soon as the child arrives at school. No student with a temperature of 100 degrees or above will be allowed to remain in school. Parents will be called to pick up the student at school. Students who are sent home should stay home until at least 24 hours after they no longer have a fever or signs of a fever without the use of fever-reducing medicine.

Students who are unable to participate in physical education class for longer than five days in succession must have a note from home or a note from the doctor.

If your child is ill, please do not send your child to school. Christian Life Academy is not equipped to care for sick students.

### School Wellness Policies

## **Christian Life Academy Parent / Student Handbook Preschool Program**

Christian Life Academy is committed to preparing our students to live a life that is both healthy and pleasing to the Lord. We believe that each person should treat his or her body with respect in all areas, and that it is our God-given responsibility to take care of our bodies and maintain our physical health.

With this in mind, Christian Life Academy is committed to keeping our students both healthy and active by providing physical education and health classes throughout the school year, encouraging active play through recess times as well as free play times.

Wellness includes eating a diet that is nutritionally sound, providing the body with the vitamins, minerals, and nutrients that it needs to keep us active.

Students who choose to pack their lunches are encouraged to pack a healthy lunch that meets the requirements of the USDA program (food pyramid), low in fats, sugars and salts. Students are allowed to pack drinks from home - kool-aid, juice drinks, but are strongly encouraged to drink milk while at school.

**Students are not permitted to bring sodas, energy drinks, etc. from home.**

### **Section 6: Technology Policy**

#### ***Section 1 - Acceptable Use Policy***

The intent of this policy is to ensure that **ALL** uses of the District's computer network are consistent with the District's mission statement, strategic plan and Christian Life Academy graduation criteria. Such access serves as a natural extension of the educational lessons learned within the classroom by:

- Providing access to educational resources and reference materials
- Reinforcing the specific subject matter taught
- Requiring the use of critical thinking skills
- Promoting tolerance for diverse views
- Teaching socially appropriate forms of civil discourse and expression

This policy does not attempt to define **ALL** required or prohibited behavior by users, but rather an operating framework for the user to follow. Each user **MUST** exercise good judgement and appropriate conduct. For purposes of this policy, the District's "computer network" includes all the District's computers and peripheral equipment (including, but not limited to, telephones and fax machines), the District's local and/or wide area network, and access to the Internet through District computers or the District's local and/or wide area network.

#### **Section 2 - Opportunities and Risks of Computer Network Use**

Christian Life Academy believes the value of information, interaction, and benefits that access to the District's computers and the Internet offers far outweighs the potential hazards of its use, and the more would be lost by not providing its students, faculty and staff access to this technology and information.

An inherent risk of making these global network resources available is that some users might encounter sources that could be considered controversial or inappropriate. Because global information resources are transitory and uncontrolled, the school cannot predict or totally control what users may or may not locate. The District has chosen, on a "best effort" basis would include, but not be limited to the following:

- Staff supervision
- Security software

## Christian Life Academy Parent / Student Handbook Preschool Program

- User training

Christian Life Academy does not support or condone access to educationally inappropriate resources. Users **MUST** utilize good judgement when accessing global information resources and be wary of the integrity and content of the information resources, regardless of the source of the technology.

The District may provide students with a student e-mail account that can be accessed through any computer with Internet access. The District may review all files, including electronic communications, that are created on, stored on, or sent to, from or via the computer network. The District reserved the right to participate and cooperate fully in any investigation requested or undertaken by either law enforcement authorities or a party alleging to have been harmed by the use of the District's computer network. Evidence of illegal activity may be reported or turned over to appropriate authorities.

No use of the District's computer network is guaranteed to be error-free and totally dependable, therefore it cannot be held liable for any unforeseen difficulties that may arise. The District cannot be held accountable for information that is retrieved through the use of technology.

### **Section 3 - User Conduct and Responsibilities**

Guidelines for access to the District's computer network within this document apply to **ALL** students, administrators, faculty, and staff, and other employees of the District. These guidelines are not all-inclusive. A user who commits any act of misconduct not specified may also be subject to disciplinary action. Disciplinary actions are consistent with District policies governing such behavior, such as its policy on student behavior and staff contacts.

The District's computer network is part of the educational curriculum and is not intended to be used as a public forum for general use. Access to the computer network is a privilege-not a right-and carries with it responsibilities. **ALL** users of the District's computer network are expected to abide by District policies and rules of behavior. These guidelines are provided here so that users are aware of the responsibilities that the use of technology places upon them.

Users have the opportunity to access the District's computer network for **educational or professional purposes only**. Exercising that privilege requires that the user accept the responsibility for all material they access, view, download, and/or produce. It is necessary for users to evaluate the validity of the information they access via the District's computer network and acknowledge the source of information when

- Respect the rights of others to utilize technological equipment by not utilizing it for non-school purposes
- Abide by any and all policies and procedures of networks, systems, and information resources linked by and through school technology.

Misuse of the District's computer network constitutes gross disobedience or misconduct and is unacceptable. Example of this misuse are any that:

- Disrupt the proper and orderly operation and discipline of the school
- Threaten the integrity or efficient operation of the District's computer network
- Violate the rights of others

## Christian Life Academy Parent / Student Handbook

### Preschool Program

Use of the District's computer network for any unacceptable use will result in the suspension or revocation of computer network privileges, disciplinary action, and/or appropriate legal action.

- Accessing, using or possessing any material in a manner that constitutes or furthers fraud (including academic fraud), libel, slander, plagiarism, or forgery
- Attempting to commit any action that would constitute an unacceptable use if accomplished successfully

Violations of these guidelines and/or District policy will be dealt with seriously. Consequences may include, but are not limited to, loss of access to the District's computer network. Users are subject to additional consequences as described in the

District's policies and regulations. Illegal activities may also result in referral to law enforcement officials.

### **Section 4 - District Responsibilities and Confidentiality**

The District reserves the right to monitor and log the use of its technology and computer network, monitor network utilization by users, and examine user files and materials as needed. Therefore, users cannot expect absolute privacy from District personnel as it relates to the use of the District's computer network.
